7 CFR Part 981

[Docket No. FV98-981-4]

Almonds Grown in California; Continuance Referendum

AGENCY: Agricultural Marketing Service, USDA.

ACTION: Referendum order.

SUMMARY: This document directs that a referendum be conducted among eligible growers of California almonds to determine whether they favor continuance of the marketing order regulating the handling of almonds grown in the production area.

DATES: The referendum will be conducted from February 1 through February 19, 1999. To vote in this referendum, growers must have been producing California almonds during the period August 1, 1997, through July 31, 1998.

ADDRESSES: Copies of the marketing order may be obtained from the office of the referendum agent at 2202 Monterey Street, suite 102B, Fresno, California 93721, or the Office of the Docket Clerk, Marketing Order Administration Branch, Fruit and Vegetable Division, AMS, USDA, PO Box 96456, room 2525-S, Washington, DC 20090-6456.

FOR FURTHER INFORMATION CONTACT: Martin Engeler, Assistant Regional Manager, California Marketing Field Office, Marketing Order Administration Branch, Fruit and Vegetable Programs, Agricultural Marketing Service, Department of Agriculture, 2202 Monterey Street, suite 102B, Fresno, California 93721; telephone (209)487-5901; fax (209)487-5906; or Anne Dec, Rulemaking Team Leader, Marketing Order Administration Branch, Fruit & Vegetable Programs, Agricultural Marketing Service, Department of Agriculture, room 2525-S, PO Box 96456, Washington, DC 20090-6456;

telephone (202) 720-2491; fax (202)205-6632.

SUPPLEMENTARY INFORMATION: Pursuant to Marketing Order No. 981 (7 CFR part 981), hereinafter referred to as the "order" and the applicable provisions of the Agricultural Marketing Agreement Act of 1937, as amended (7 U.S.C. 601-674), hereinafter referred to as the "Act," it is hereby directed that a referendum be conducted to ascertain whether continuance of the order is favored by the growers. The referendum shall be conducted during the period February 1, through February 19, 1999, among California almond growers in the production area. Only growers that were engaged in the production of California almonds during the period of August 1, 1997, through July 31, 1998, may participate in the continuance referendum.

The Secretary of Agriculture has determined that continuance referenda are an effective means for determining whether growers favor continuation of marketing order programs. The Secretary would consider termination of the order if less than two-thirds of the growers voting in the referendum and growers of less than two-thirds of the volume of California almonds represented in the referendum favor continuance. In evaluating the merits of continuance versus termination, the Secretary will not only consider the results of the continuance referendum. The Secretary will also consider all other relevant information concerning the operation of the order and the relative benefits and disadvantages to growers, handlers, and consumers in order to determine whether continued operation of the order would tend to effectuate the declared policy of the Act.

In any event, section 8c(16)(B) of the Act requires the Secretary to terminate an order whenever the Secretary finds that a majority of all growers affected by the order favor termination, and such majority produced for market more than 50 percent of the commodity covered under such order.

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the ballot materials to be used in the referendum herein ordered have been submitted to and approved by the Office of Management and Budget (OMB) and have been assigned OMB No. 0581-0071 for California almonds. It has been estimated that it will take an

average of 10 minutes for each of the approximately 7,000 growers of California almonds to cast a ballot. Participation is voluntary. Ballots postmarked after February 19, 1999, will not be included in the vote tabulation.

Martin Engeler of the California Marketing Field Office, Fruit and Vegetable Programs, Agricultural Marketing Service, USDA, is hereby designated as the referendum agent of the Secretary of Agriculture to conduct such referendum. The procedure applicable to the referendum shall be the "Procedure for the Conduct of Referenda in Connection With Marketing Orders for Fruits, Vegetables, and Nuts Pursuant to the Agricultural Marketing Agreement Act of 1937, as Amended" (7 CFR 900.400 *et. seq.*).

Ballots will be mailed to all growers of record and may also be obtained from the referendum agent and from his appointees.

[Docket No. 98-069-1]

Horses from Australia and New Zealand; Quarantine Requirements

AGENCY: Animal and Plant Health Inspection Service, USDA.

ACTION: Proposed rule.

SUMMARY: We are proposing to amend the regulations regarding the importation of horses to exempt horses imported from Australia and New Zealand from testing for dourine and glanders during the quarantine period. We believe this action is warranted because neither country has ever had a reported case of dourine, New Zealand has never had a reported case of
